Phonics

This half term, the children will continue to learn more set 1 letter sounds. They will continue to develop their oral blending skills and will learn to blend to read words. We will provide more phonics information on Class Dojo.

Writing

The children will continue to develop their fine motor skills by doing lots of fine motor activities. They will be writing initial sounds of words and then write simple words as well as their name. The children will be practising how to form the letters correctly. They will have lots of opportunities to practice writing skills during Phonics, Literacy and during Discover and Do time.

Our books for this half term are:

Bonfire Night (non- fiction text)

Pumpkin Soup

The Gruffalo

Goldilocks and the Three Bears

One Snowy Night

Here comes Jack Frost

Stickman

In the Woods &
Winter Is Coming
Autumn 2 2026

Mathematics

This half term, the children will continue to practise their counting skills. They will be learning about number 5 and be introduced to a die pattern. They will learn about composition of 3,4 and 5. The children will be learning to compare amounts and match numeral to quantity. They will also be learning about capacity and 2D shapes (circles and triangles). Details of the weeks learning will be posted on class dojo.

How to help your child at home:

- Please make sure you have logged in to Class Dojo to find out about your child's daily home learning task and what we have been doing in class.
- Practice new and learnt sounds.
- Practise name writing
- Encourage independence

Topic

We have lots of special days coming up! We will be learning about Bonfire night, Remembrance Day, Diwali and Christmas. There will be a Christmas performance that the children will be practising for. The children will be visiting the local church and mosque.

Design and Technology

The children will be designing and making soup.

P.E

The children will be moving around in different ways changing speed and direction.
